Earn Breed Points While Showing In Our NEISCA Accredited Shows !

Many breed associations are now offering programs that you can earn points and or recognition for your horse and yourself while showing in Open Horse Shows, NBHA, Reining, Cutting, Team Penning, etc. You need to enroll in their program and then bring their show sheets to be signed by one of the point keepers at the NEISCA shows. It will be up to you to get this done and also to turn in your point sheets to your organization. Check with your breed association.
